

Spread Love and Kindness Shopping List

Thank you for donating to our 'Spread Love and Kindness' emergency food parcels during this Coronavirus season.

Any of the items below would be gratefully received.

Please note that due to social distancing restrictions, we can only accept donations that are dropped off at our Destiny Leith location at specified times. Please email angels@destinyedinburgh.com to find out when the building will next be open for drop offs and to enquire about specific items we currently need. Unfortunately, we are not able to accept perishable items.

We are also able to accept online shopping orders delivered directly to our Destiny Leith building, at 12 Casselbank Street, Edinburgh, EH6 5HA. Please email angels@destinyedinburgh.com well in advance of the delivery, along with the shop order details, to ensure that someone is at the building to receive the order.

Alternatively, financial contributions can be made through our [Giving page](#) online. Thank you for your generosity.
